

“It’s only after you’ve stepped outside your comfort zone that you begin to change, grow, and transform.” - Roy T. Bennett

Every day consists of change and improvement so at MCR Safety we are living this out by updating the most powerful cut protection offerings in the industry with a single brand that represents the best of the best in fibers, coatings, and technology advancements as CUTPRO. One unified brand identity along with an easy identifiable ANSI cut scoring system.

Glove Shell & Coating

Guess what?! The name is changing and that’s it. The glove shell fiber combination and coating is staying exactly the same as before – No changes....Zero, Zilch, Zip, Nada

Inventory

During this transition, there is a good chance that you could receive old and new logo product however that’s the only difference. The glove is the same product that we have manufactured for years which means we still have your back. Same protection, same glove, same piece of mind in wearing Protection You Can Trust!

ONE single brand encompassing all cut resistant gloves

Easy identification of ANSI Cut Protection Levels

ITEM#
